

OREO TRIVIA MATH

Created by Mollie Borquist 2003

The Oreo® cookie has been America's most popular cookie since it was introduced in 1912. How many years have we had Oreo® cookies?

More than 7.5 billion Oreo® cookies are consumed each year. How many are consumed each month?

The floral design on the Oreo® cookie consists of 12 flowers per side. How many flowers are there in a bag of 33 cookies?

If a bag of Oreo® cookies contains 33 cookies and costs an average of \$3.06, how much would each Oreo® cost?

If an Oreo® cookie is 8mm in height, how tall is a stack of 10 Oreos?
20 Oreos?

If an Oreo® cookie has a width of 1.75 inches, what length would we cover if we put 51 cookies, side by side?
